CK-12 Foundation is a non-profit organization dedicated to improving student learning by increasing access to free, high-quality educational materials through the FlexBook® 2.0 platform and concept-based modalities.

CK-12

March 2022

This letter is to certify that Muhamad Ananda has satisfied the requirements of the CK-12 Certified Educator Program.

Muhamad earned a total of 10 hours of professional development by completing the course, including all matching assignments.

Becoming a CK-12 Certified Educator demonstrates dedication to ongoing development, and commitment to improving knowledge and skills within the teaching profession and the education technology space. This professional development covered topics from accessing and utilizing CK-12 technology resources (including text, interactives, and practice) to assessing student progress and customizing content to address students' needs. By exploring interactives, customizing a FlexBook® 2.0 and/or practice, and creating assignments, Muhamad learned the skills required to use and tailor high quality, free educational resources that address the learning needs of their students.
